TO ALL Y. L.'s AND X. Y. L.'s

The Ladies Auxiliary of the Delaware Valley Radio Association extends a welcome to all Ladies attending our affair, we have provided a program which we feel you will find interesting and help to further your enjoyment while attending the Hamfest. If we can be of any service in any way please do not hesitate in calling upon us. The Ladies Auxiliary has been organized for the past two years and is an active group in supporting the Delaware Valley Radio Association in all it's Club events. Incidentally we are celebrating our Second Anniversary this month.

Have You Heard About FRANK LESTER'S 5—10 Meter Converter?

Look what ham whiz Frank Lester put into this converter. Built-in power supply, built-in standby switching for receiver. Completely wired and tested, with 5 meter coils, output frequency 5.7 mc. and tubes. Two large highratio dials insure hair-line accuracy, permit adjustable band spread without the tracking problem. **Complete with tubes \$33.95**
